

**REMARKS**

Claims 74-76 currently appear in this application. The Office Action of June 14, 2005, has been carefully studied. These claims define novel and unobvious subject matter under Sections 102 and 103 of 35 U.S.C., and therefore should be allowed. Applicants respectfully request favorable reconsideration, entry of the present amendment, and formal allowance of the claims.

**Art Rejections**

Claims 32-35, 37, 38 and 41-44 are rejected under 35 U.S.C. 103(a) as being unpatentable over Swindells, U.S. Patent No. 2,980,627 in view of Kozak, U.S. Patent No. 3,607,772.

The present amendment cancels claims 32-55. Therefore, this rejection is now moot.

**Allowable Subject Matter**

It is noted that claims 74-76 are allowable over the cited prior art. As the present amendment cancels, all claims but 74-76, it is believed that all claims in the present application are now allowable.
